

## Redbridge Rule 606 Disclosure: 2019 Q2

Redbridge Securities LLC (Redbridge) has prepared this report pursuant to a U.S. Securities and Exchange Commission rule requiring all brokerage firms to make available to the public quarterly reports about their order routing practices.

The report provides information on the routing of "non-directed orders" -- any order that the customer has not specifically instructed to be routed to a particular venue for execution. For these non-directed orders, Redbridge has selected the execution venue on behalf of its customers.

The report is divided into three sections:

1. New York Stock Exchange listed securities
2. Nasdaq Stock Market listed securities
3. NYSE MKT Exchange and regional exchanges listed securities
4. OTC PINK Marketplace
5. Exchange-listed Options

For each section, this report identifies the venues most often selected by Redbridge, sets forth the percentage of various types of orders routed to the venues, and discusses the material aspects of Redbridge's relationship with the venues.

Questions regarding this report should be addressed to the Redbridge Compliance Department at [support@rbsecurities.com](mailto:support@rbsecurities.com).
